

Total Amount Due

Compare your historical gas usage for the past 13 months. It's easy for you to compare your current month's usage to the same month last year.

Due Date, Payments, and Late Fees: Late Payments subject to 5% late fee. To avoid late fee, payment must be received in office by close of business on Due Date. If Due Date is on weekend or holiday, pay by close of business on last business day prior. If you mail your payment, please allow ample time for delivery. Failure to make-on-time does not allow penalties for late-payment, and/or off.

All of your current charges or adjustments incurred this month will be listed here for your review.

If you're enrolled in an Installment or Budget Plan, check here for additional information.

For Installments, this section will provide the original amount you agreed to pay as well as your terms of the agreement.

If you're on a Budget Plan, you can monitor your actual account balance as you approach your settlement month.

You have multiple ways to pay your bill. Just choose the one that is most convenient for you.
